## & DRINKING DEN

*Welcome to Grape Therapy – our take on a warm, inviting and hospitable place of relaxation and enjoyment.  
Within these four walls, friends are made, business is done, and wine is enjoyed.*

*This list reflects the experiences of our travels, and the wines made by us or by small producers and friends, along with the best from our many tastings and events throughout the year. This unique range, including an ever-changing reserve list from the cellar, is ready to be consumed at its finest hours – now!*

*We encourage our guests to “drink stylistically” rather than being set on a specific variety, therefore you’ll notice different varieties mixed together: the best way to approach this list is by asking yourself “What do I feel like?” and choose from there.*

*We are here to help, and we want you to have fun with wine as much as we have!*

*Please enjoy.*
